INTRODUCTORY NOTE

This health and safety management system (the policy) is divided into three sections - policy, arrangements and guidance notes.

The '**policy**' section contains the organisation's policy statement together with the health and safety organisation and the responsibilities allocated to individuals.

The arrangements for putting the goals of the policy statement into practice are contained in more specific form in the '**arrangements**' section, which includes procedural flow diagrams and high level guidance.

The '**guidance note**' section contains guidance to be observed and adhered to in the course of the organisation's operations. Such guidance would be applied in conjunction with task and site specific health and safety instructions and documentation pertinent to individual work activities and environments.

COMPLIANCE REVIEW

Croxford Electrical Ltd's health and safety policy shall be formally reviewed annually by The Health and Safety People Limited for as long as this organisation retains their services. This review shall cover all sections of the policy and shall ensure that:

- a) The responsibilities reflect the current staffing of the organisation.
- b) The arrangements remain unchanged.
- c) The guidance is still applicable.

Additionally, the policy shall be reviewed as necessary to reflect any changes in legislation, appointments or working methods and materials used.

SAFETY PROGRAMME

The Health and Safety People Limited shall undertake an annual review of the organisation's safety programme to ensure that the company is in compliance with the policy. This review shall check that:

1. All the responsibilities allocated in the policy are understood and are being performed.
2. The arrangements set up in the policy are being complied with and remain effective.
3. Records, as required in the policy, are being adequately compiled and retained.
4. All the necessary reports are being prepared and forwarded to the relevant persons within the organisation and the relevant enforcing authorities.
5. Any additional training needs are identified at all levels as appropriate.
6. Accident and incidents records are being monitored in order to identify trends.

The results of the review shall be compiled into a report for the managing director and shall include recommendations of the actions to be taken in order to rectify any non-compliance and improve overall health and safety performance.

Croxford Electrical Ltd

Health and Safety Policy Statement

In accordance with its duty under Section 2(3) of the Health and Safety at Work etc. Act 1974 and in fulfilling its obligations to both employees and the public who may be affected by its activities; the Directors of Croxford Electrical Ltd have produced the following statement of policy in respect of health and safety.

It is our aim to achieve a working environment which is free of work-related accidents and ill-health and to this end we will pursue continuing improvements from year to year.

We undertake to discharge our statutory duties by:

- Identifying hazards in the workplace, assessing the risks related to them and implementing appropriate preventative and protective measures.
- Providing and maintaining safe work equipment.
- Establishing and enforcing safe methods of work.
- Recruiting and appointing personnel who have the skills, abilities and competence commensurate with their role and level of responsibility.
- Ensuring that tasks given to employees are within their skills, knowledge and ability to perform.
- Ensuring that technical competence is maintained through the provision of refresher training as appropriate.
- Promoting awareness of health and safety and of good practice through the effective communications of relevant information.
- Furnishing sufficient funds needed to meet these objectives.

All employees on their part are encouraged to contribute actively towards achieving a work environment that is free of accidents and ill health.

Our health and safety policy will be reviewed annually to monitor its effectiveness and to ensure that it reflects changing needs and circumstances.

This statement is to be read in conjunction with the responsibilities, arrangements, procedures and guidance that together form the health and safety policy for Croxford Electrical Ltd.

SmokeFree Policy Statement

PURPOSE

This policy has been developed to protect all employees, customers and visitors from exposure to second-hand smoke and to assist in compliance with the Health Act 2006.

Exposure to second-hand smoke increases the risk of lung cancer, heart disease and other serious illnesses. Ventilation or separating smokers and non-smokers within the same airspace does not completely stop potentially dangerous exposure.

POLICY

It is the policy of Croxford Electrical Ltd that all our workplaces are smoke-free, and all employees have a right to work in a smoke-free environment. Smoking is prohibited in all enclosed and substantially enclosed premises in the workplace and all work vehicles if they are used by more than one person. This policy applies to all employees, customers, consultants, contractors and visitors.

IMPLEMENTATION

Overall responsibility for policy implementation and review rests with the Directors. However, all employees are obliged to adhere to and support the implementation of the policy. They shall inform all existing employees of the policy and their role in the implementation and monitoring of the policy. They will also ensure that new employees are given a copy of the policy on recruitment/induction. Appropriate 'No-Smoking' signs will be clearly displayed at the entrances to and within the organisation's premises and in all smoke-free vehicles.

NON-COMPLIANCE

Disciplinary procedures will be followed if a member of staff does not comply with this policy. Those who do not comply with smoke-free law may also be liable to a fixed penalty fine and possible criminal prosecution.

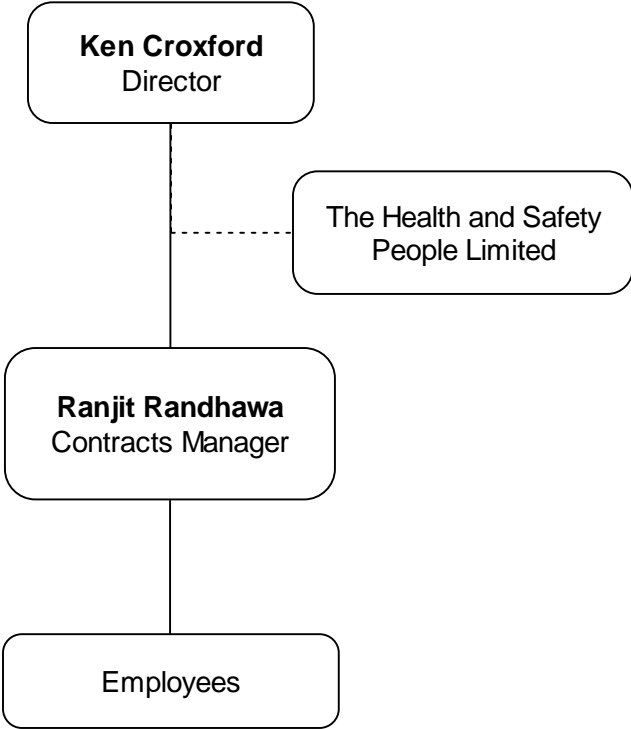

HELP TO STOP SMOKING

The NHS offers a range of free services to help smokers give up. Visit gosmokefree.co.uk or call the NHS Smoking Helpline on 0800 169 0 169 for details.
